

ONIVERSITY OF UTAH.

Salt Lake City.-President Kingsbury went to Ogden on Thursday.

Today, Professor Stewart addressed the district school graduates of Tooele, He has been invited to speak before the graduates of the Logan schools on

Principal Osborne of the Grantsville chools visited the University on

Next Saturday the state high school Next Saturday the state high school track meet will take place on the University campus. The usual 12 events will occur. Mrs. Byron Cummings will present a banner, or silk pennant, in the name of the University, to the high school, winning the most points. To the name of the University of the school winning the most points. To school winning the most points. To those who win first place in each event the University will give silver medals. Ribbons will be given to those winning second place. The following schools will participate: Salt Lake high school, Ogden high school and Park City high

Saturday, May 21, is the day appointed for the big state track meet on the University campus. The B. Y. U. of Provo, A. C. U. of Logan, L. D. S. U. and U. of U. of Salt Lake City will enter their teams.

Last night "A Midsummer Night's Dream" was presented in the Museum building by a bunch of "'Varsity Fel-

Professor Stewart has received letters from a great many county superinten-dents, saying that their teachers will dents, saying that their teachers will attend the two weeks' state summer normal institute at the University in June. Among those who have thus expressed themselves are the following superintendents: Whitesides of Davis wounty, Ashton of Salt Lake county, Boydon of Summit count, Wooton of Wasatch county, Molyneux of Grana county, Miss Halliday of Kane count, and Mrs. Oser of Untah county.

On Wednesday the college student On Wednesday the college student body held an enthusiastic election which resulted in a victory for the engineers. The latter elected John C. Brown, a freshman engineer, president and Alma H. Chambers, a sophomore engineer, secretary and treasurer, John Lenson, a sophomore and student was Jenson, a sophomore art student, was elected editor of the Chronicle. Elbert D. Thomas and Horace Whitney were D. Thomas and Horace Whitely were elected student members of the 'Varsity athletic council. Oscar W. Carlson was the art's candidate for president. He received 88 votes, while Brown received

Mr. Samuel S. Stevard, M. A., who holds the rank of instructor in English at Stanford university, and who will rach English in the Deseret Summer school at Logan, was a student at Columbia, with Assistant Professor B. R. Howell of the University of Utah. Mr. Seward took his M. A. at Columbia in '98, and Mr. Howell took his M. A. at the same institution in '99. the same institution in '99.

The announcements of the regular niversity summer school, which be-University summer school, gins on June 20, were issued during the The summer school has now come an organic part of the University under the control of the board of regents. A student of this school is now a student of the University, and the credit earned is entered upon the University records. More courses are now the course of the course of the list of the course offered than ever before. The list of instructors includes Miss Jessie L. Newlen of Chicago university, George IM. Marshall, Ph.B., Byron Cummings, A.M., William G. Roylance, B.S., Rob-ert H. Bradford, Ph.D., Milton Bennion, A.M., Edwin Evans, Torild Arnoldson, David R. Allen, Jacob H. Tipton, Louis A. Parsons, Ph.D., William Blum, B.S., and Esther Nelson, A.B.

The summer class in mine surveying will consist of the following junior engineers: Leonard Cahoon, Alma H Chambers, Emit Olson, Reuel M Greaves, Niels Christensen, Thomas H. Latimer, Jay Johnson, Seymour Smith, W. R. Travers, James W. Milan Crandall, Lewis H. Luce, Arthur Erickson, Albert C. Boyle and E. E. Meyer. The party will go to the Ou-tario mine in Park City.

SALT LAKE CITY SCHOOLS.

Salt Lake City.-Supt. Christensen has been the recipient of many congrat-ulations on his re-appointment, and on the handsome addition to his present salary.

The Riverside students concluded a comprehensive study of cocoa by giv-ing their teachers a chaing dish party last Wednesday, at which dainty hands served delicious chocolate.

Each Fremont teacher has been deluged by flower showers by her pupils this week. As a result banks of lilacs adorn every available nook in the

The charms of world's fairs have not appealed very strongly to grade teach ers during the last two weeks, inas-much as their work of preparing a much as their work of preparing a suitable exhibit has necessitated their assuming extra duties. Last Thursday marked the close of the most laborious part of the program. Until about the 15th inst., the supervisors will do well to issue "Not at home" cards, as the dask of culling arranging and shiptask of culling, arranging, and ship-bing the entire exhibit will be perform-d under their careful supervision.

Supervisor Doxey speaks hopefully concerning the manual training exhibit. Already many pieces are labeled and still the eager crowds of boys are turning out some excellent specimens of their craft.

The Washington had a visiting day

Although the attempt may be regarded as being somewhat presumptious, et it is a fact that students even in tention to composing melodies. Speak-Supervisor Wetzell assures that at least

eastern or western schools, and that at the exhibit they will prove to be "sans-

That the schools are to have three nights at the theater for commence-ment exercises has been definitely de-cided, but an arrangement of these eve-nings has not been determined upon. The High school desires two of the three, and wish further that one night intervene between their two programs. It is quite probable that the commencement exercises will read: Junior class, High school, May 26; eighth grades, 27; senior class, graduating exercises, 28.

Parents will note that special Parents will note that special programs will be rendered in all buildings where graduating classes are being taught. These programs will each consist of five numbers, and will be given especially for the parents of the mem-bers of the graduating class. Diplomas will be presented on that occasion.

The final commencement exercises by the eighth grade will be participated in by representative members of each graduating class.

The athletic spirit has taken strong old of the High school track team The boys expect to give an account of themselves when they meet their aspiring neighbors next Saturday on the U. of U. campus, The last isue of the High school's

Red and Black is a smart one. From the editor's sanctum comes the intelligence that the best school commence-ment paper of the west is yet to ap-pear and will mark the supreme efforts of the efficient staff of the present year, Some principals are wondering when

the high pressure on their maximum salary is to be minimized.

L. S. D. UNIVERSITY.

Salt Lake City.—On Wednesday morning Student Noel Pratt led the school in rehearsing three of the school songs.

Preparations for the exhibit at the world's fair are occupying the attention of the following departments: Dressmaking, mechanic arts, penmanship, are book-keeping and typewriting. Director Cummings called this week and was gratified to learn that our institution is to be represented in the exhibit

The combined summer school at Loan has been a topic under considera-tion this week, and explanations of the courses, methods, and purposes of this institution have been given by the pres-ident. An invitation to attend was extended to the students generally, and their co-operation was solicited in mak-ing known to their friends the fact of the establishment of this important educational institution.

On Monday at 12 o'clock, a score of automobiles of various styles and of six different makes, representing as many firms steamed up to the circular walk in front of the school buildings, and took on board the girls of the '04 class, the officers and a number of the members of the Colu The procession started off down Main street. The school turned out to cheer the departing calvacade, and Main street was thronged with visitors to witness the usual sight. After a whirl around the principal streets of the city, the girls were landed back at the university buildings safe and sound, but not free from palpitation of the heart, occa-sioned by the unusual, breezy and swift ride. It was an enjoyable affair and created a great deal of merriment. Manager Le Rio C. Snow extended the courtesy as a compliment to the girls of the graduating class.

The museum was the ricipient this week of a shark's egg, a most rare and week of a shark's egg, a most rare and interesting specimen, one peculiarity of which is that it keeps in motion while in the water. The egg, which is a spir-al, bony structure about three inches in length by so inch and half in diameter, was sent with the compliments of Dr. S. H. Allen to President Paul, who im-S. H. Allen to President Paul, who immediately furned it over to the museum, in care of Prof. Porter. Dr. Allen and Prest. Paul were fellow alumni in 1881 at the U. of U. The doctor is spending the winter in California and obtained the specimen, as we suppose, in the waters of the Pacific ocean.

Maggie Price and Helen Lail have Maggie Price and Heien Lan have been reporting the trial of Macbeth this week. The work of the dictation de-partment has been arranged in the fol-lowing systematic way: Monday is owing systematic way: spent in the study and review phrases, and word signs; Tuesday, practise on magazine articles; Wednes-day, in practise on unfamiliar matter; on business letters; Friday, on court testimony and legal forms.

A number of students from the business college have recently discontinued for sufficient reasons: Robert S. Lus-ty has accepted a position as billing clerk with the Western Knitting works of this city; Lawrence Heywood has a emporary position in the civil service; W. Bennett is stenographer for the Y. M. C. A. of this city; Edwin Cannon, student of the department of telegra-bly, is working in the chief dispatcher's office of the Denver & Rio Grande railway; Frank Grant of the same department is in the operating depart-ment at Woods Cross; and Miss Dawson, a former student, is an operator at the R. M. B. Telephone Co.

BRIGHAM YOUNG UNIVERSITY.

Provo.-Eleven students are to take out special certificates in elocution in Miss Miriam Nelke's classes.

The Literary society is to be favored tonight with a lecture from the Rev. Dr. Carver, on the "Dawn of Literature

A "May Festival in Music" is one of the events promised by Messrs. Lund, Reid, and Boshard, leaders of the di-vine art in our city. Just what that is to signify will appear later.

Three of our training teachers, Miss Larsen, Miss Talmage, and Miss Schramm, are laying plans for an ex-tended outing in the Yellowstone during

the coming vacation. President Brimhall addressed the lass of 1907 last Wednesday afternoon. Among other things he laid stress on the influence of class mottoes. Especially was this true where the motto is a kind similar to that of the '07s-

'Excelsior.' Mr. Brigham Jarvis and Elder Edw. Powell, both old students, were visiting students during the week. Elder Powil, who has just returned from a three years' mission to Australia, addressed the school in devotional exercises Wed-

Mrs. Ida S. Dusenberry, director of our kindergarten, is making preparations to leave shortly for Berlin, where she expects to read a paper before the Intercontinental Council of Women's The lady expects to spend the rest of the summer touring throughout

One of the most enjoyable affairs in

STATE BRANCH NORMAL.

Cedar .- Mr. Lewis made a trip to St. George this week.

The Branch Normal track team will leave for Salt Lake on May 13 to compete with the state normal team. members of the team have been permanently decided upon and are doing excellent work. Instructor Milne expects to get half fare tickets for students wishing to visit the city at the time of their meet.

Miss Minnie Berry, an old student, and a Miss Beck of Spanish Fork, were visitors this week.

The Branch Normal school will tender the visiting delegates to the Sunday school convention, which is to be held in Cedar City May 15 and 16, a recep-tion Saturday afternoon, May 15. Dancing will be indulged in for about two hours, after which a musicale will be then the visitors will be shown through the buildings.

The material for the Branch normal annual for the school year 1904-5 has been prepared and will be forwarded to Selt Lake City for publication. A num of attractive cuts will be inserted in the new annual.

A motion to discontinue chapel for the remainder of the school year was youed down by the student body last

The action of the Social club in turning over to the school more than two hundred dollars' worth of scenery and other accessories for the new portable in the auditorium is very com-tible. The first performance to en on the new stage will be "Vice be given on the new stage will be "Vice Versa," under the auspices of the students' society, May 6.

BRIGHAM YOUNG COLLEGE.

Logan, May 5.—Mr. Odell, one of the city photographers, was in the college this week taking views which are to be sent to the world's fair.

The Webster society met last week and listened to an interesting debate

On account of the quarterly conference held in Logan on Sunday and Monday, school was dismissed on Monday, so as to give students and teachers an opportunity of attending the

President Linford went to Salt Lake on Wednesday to ettend a meeting of the board of trustees.

Three contest games of baseball have been played on the campus since our last report—one with the Agricultural college, one with Lewiston, and one with Smithfield. The college boys succeeded in scoring a victory in the first two games, but lost with Smithfield.

President Linford leaves on Friday morning for the east where he will attend an important meeting of schoo men in the Case school of applied sci ence. The meeting will be held in Cleveland, Ohio. President Linford wil visit the fair on his return. He also make a study of manual training schools while away.

The trustees have decided to establish iron works in the college next year.

The college will then be better prepared than any time in its history to fulfill the deed of trust of the founder.

WEBER STAKE ACADEMY.

Ogden .- Students and teachers are both busy in preparing specimens of

work for the world's fair. Elder Chas. A. Smurthwaite addressed the students at devotional last Tuesday morning on the subject of Truth. His remarks were original and delivered in his characteristic style. Brother Smurthwaite always gives the students something they cannot get away from because of his originality.

One of the very prettiest and most cleverly conducted parties of the sea-son was tendered Sister Jenettie McKay as a farewell testimonial last Friday evening, by the lady students of the academy. Miss McKay leaves on the oth for her field of labor in South-western States mission. While absent she will do special Church work at the exposition building in St. Louis.

H. H. Thomas was with us again on Thursday, and photographed the study hall and several of the classes in their

While the students in the Life of While the students in the Life of Christ were passing to their class room to have their photo taken, their teacher delivered himself of this pleasantry: "All you good looking girls take front seats." Strange to say, in all that room there were no back seats.

The Sunday school stake board en-tertained P.of. Terry in the domestic arts rooms Wednesday evening, the occasion being his retirement from the board to labor as first assistant to the superintendent of religion classes. cream was served, and a very pleasant evening was spent in speech and song until about 11 p. m., when a terrific storm frightened the ladies; the entertainmen was brought to a sudden close by three claps of thunder.
